GENERAL CONDITIONS

We reserve the right to inspect your heating unit before acceptance of this plan.

The responsibility of this company for performance of any service under this plan shall terminate if customer procures oil or burner service from any other source than Andy's.

This plan will cease to be in force if payments for oil and service are not made in accordance with our regular credit terms.

This contract will be in force for twelve months from date of acceptance and will be automatically renewed unless terminated by either party upon 30 days written notice.

The company will not be responsible for delay or damage resulting from fires, accidents, labor difficulties, acts of government, flood, war, hurricanes or any acts of God, or other causes beyond its control; or for any loss or damage caused directly or indirectly by its service, for any consequential or special damage of any kind whatsoever, for any reason. Labor or material required as a result of the above conditions, or power interruptions, or water in basement, are not covered by this plan.

The obligation to furnish or repair replacement parts is subject to the availability thereof from normal sources of supply. Obsolete parts will be replaced with modern equipment, when possible, at list price.

This plan covers domestic type burners only.

EXCLUSIONS

This contract does not cover labor or repairs of parts for any of the following:

Any plumbing such as water feeders, hot water coils, hot water storage tanks, all piping, radiators, mixing valves and water restrictors, water circulators and combustion chamber.
